## GRANVILLE-SPARTANBURG AIRPORT, S.C.

*into a sultry southland  
torn by a will and a where  
all blacked I came,  
black to the blackman and for,  
I dreamed of love;  
pilgrim-pause in a white world  
a hate-stare from a black face  
threw mud on my love dream  
and ruined my cheeseburger.*
